

THE REDWOOD

FORTUNA RIVERWALK HOTEL

Humboldt Hotels on The Riverwalk

The Redwood seeks to be your one-of-a-kind choice amongst the small grouping of franchise hotels, restaurants, and gas stations in Fortuna. Steps from this small grouping of businesses are the final miles of Eel River, before it reaches the Pacific.

Riverwalk Hotel

Our central location serves as the ideal base camp to visit the many state parks and enjoy other outdoor activities in Humboldt County. Murals in the lobby, pool area and stairwells offer insight into local topography, ancient forests, lumber camps and the daily life of the Native American Weott tribe. A vintage kayak, rods and reels, and flies on display give a nod to the Eel River only 200 feet behind the hotel. You can follow it along the levy trail for a few miles, also known as the Riverwalk. A cowhide print area rug at the entrance reminds us of the local dairies and the cows found grazing nearby.
